

To you, a day of recreation

To her, her last meal

Just one small  
sinker is enough to  
kill an adult loon.

The Piscataquis County Soil and Water Conservation District, in partnership  
with other Soil and Water Conservation Districts in Maine,  
announce the

## Lead Tackle Exchange Program

Swap out your old lead tackle for non-toxic alternatives – For FREE!

Save a life. Switch to non-lead tackle.
